Methods of Training

All Assessors hold Certificate IV in Training and Assessment. Theory and practical components of training are conducted in the classroom.

Method of assessments

Practical
Theory
Oral
Observation
Assignments
Projects
Competency standards are recorded as achieved

Recognition of prior learning and Credit Transfer:

Perth College of Beauty Therapy recognises RPL (non-formal skills acquired through study, self-tuition, work or life experience) and credit transfer (direct recognition of the competency unit completed at another registered training organisation) and will offer these services to students if it fits the structure of the course chosen.

Due to the structure of our full time (semester based) courses, RPL and credit transfer may not be applicable. This is because each unit is clustered with others and may be delivered over a whole six month semester.

Nationally Recognised Training
