Forms

- **Contact record** – This is to be used when you have had any general contact with the student or a parent. This contact could include telephone calls. The date and a description of the contact should be written. This form should be left on Andreas desk, it will then be stored in the students file. One form can be used several times. If Andrea is not in and you need to access a previously used form you can find it in the student file.

This form is stored at reception in the folder “general course forms and admin forms”

- **Incident report** – This is to be used when you wish to make a formal record of an incident or misbehaviour in class. This form should be completed and copied to the student for signing. If the student is under 18 the form also needs to be signed by a parent or guardian.
